Dear Danny:

After consulting with the Surface Transportation Board the following will need to be done in order to release the liens on the five (5) railcars. The Surface Transportation Board would like a transmittal or cover letter to the Surface Transportation Board stating that there is an enclosed Release Agreement of the lien of Surface Transportation Board Number 13242. They would like the second document to be the actual Release and they would like for it to say that this is a full termination of the lien signed by Frost National Bank and notarized. The Surface Transportation Board would like for you to refer to the parties involved in the lien along with the Surface Transportation Board Recordation Number of 13242 and specifically state the equipment that is being released. The Surface Transportation Board wants two copies sent along with the filing fee of \$26.00.

Please send the above cover letter and Release to Vernon Williams, Secretary of the Surface Transportation Board, 1925 K Street, Washington, D.C. 20423.

Thank you for all of your assistance in this matter. If you have any questions, please do not hesitate to contact me.

Very sincerely yours,

James A. Freeman
